Dear Community Partner,

The Dubois County Chamber of Commerce invites you to sponsor our Annual Luncheon & Awards Ceremony, one of the Chamber's premier events. This special event brings together business and community leaders from across Dubois County to celebrate the year's accomplishments and recognize excellence in our local business community.

The program honors three outstanding awards: Young Professional of the Year, Businessperson of the Year, and Business of the Year. Recipients are nominated by the public and selected by a committee of their peers, making these some of the community's most respected honors.

As a sponsor, your business will receive valuable visibility while demonstrating your commitment to supporting and celebrating the businesses and leaders who help Dubois County thrive.

Thank you for considering this opportunity. We appreciate your support and look forward to celebrating with you.
